

Notice to Members

Who have equipment and nets near the maintenance shop

The Lax Kw'alaams maintenance staff is in the process of removing unwanted materials that have accumulated over the years around the garage and fuel tanks.

There is fishing gear and netting that looks usable. If it belongs to you please remove these items as soon as possible. If these items are still there by July 31st the maintenance staff will have it removed to the refuse transfer station.

We are cleaning up. Please cooperate and do your part!
