

Lax Kw'alaams Band Notice
Speed Limit is 30km

June 8, 2021

Lax Kw'alaams has a new speed limit of 30km for vehicles. Signs have been put up in some places and the rest will go up when they arrive. This is occurring because of the size of the community and the number of children and pedestrians that use the roads.

The speed limit at the Coast Tsimshian Academy remains the same at 20km.

Thank you for your cooperation!

Ted Adnitt,
CAO
