

#LaxCDP

Hello Lax Kw'alaams Members!

Lax Kw'alaams Mayor, Council and Staff are creating the **Lax Kw'alaams Community Development Plan (CDP)**! The CDP will guide Mayor and Council's decisions regarding land use, housing, community facilities and infrastructure.

We will follow the steps below to create a plan that is built on your needs and perspectives:

This plan will be driven by the vision and needs of Lax Kw'alaams members – an online community survey will be posted, and we will be running workshops in the winter. If you would like to be involved, keep an eye out for these events with the hashtag **#LaxCDP**.

We will post opportunities to get involved and to share your opinions on Facebook and around the community. Questions? Please contact Jennifer at housing_clerk@laxband.com.

Thank you!
