## Jordan's Principle Provincial Coordinator

Jordan's Principle was developed in memory of Jordan River Anderson from Norway House Cree Nation in Manitoba. Jordan's Principle is a child first initiative that ensures children in First Nations communities find products, services or support they need.

Some supports covered by Jordan's Principle are:

### Health:

- Medical supplies & equipment
- Mobility Aids
- Therapeutic services for individuals or groups (speech therapy, physiotherapy, occupational therapy)

### Social

- Social worker
- Land-based activities
- Respite care (individual or group)

### Education

- School Supplies
- Tutoring services
- Teaching assistants

As a Provincial Service Coordinator, I serve the province of British Columbia. I am available to help both First Nation and non- First Nation families find access to available services for their children/youth's needs. I encourage you to contact me if you have any questions or need assistance accessing health, social and/or educational supports, including Jordan's Principle funding.
