General Information

Lax Kw'alaams is carrying out a workshop on Tuesday, Jan 21st from 5 pm to 9 pm at the Lax Kw'alaams Hall in Prince Rupert to gather Lax Kw'alaams Bands member's specific knowledge about marine mammals

This knowledge will be used by Lax Kw'alaams fisheries to complete a summary report documenting Lax Kw'alaams Elders, harvesters, and community members' knowledge of marine mammals and impacts and threats to marine mammals and other species from shipping and other activities

These community engagement sessions build on prior desktop research on the science of marine mammals within Lax Kw'alaams bands traditional territorial waters

A copy of the completed report will be shared with the fisheries committee and members who request a copy

The workshop will take 3 hours and light refreshments will be provided.
